

Strengthen Your Social Learning Skills *in the Community*

Social Compass Club, A Speech-Language Pathology Corporation offers social learning opportunities for clients from ages 3-40 by:

- Providing a 12-week program for clients from ages 7-21 in small groups with 2-3 peers where they learn supportive social vocabulary (age groups include: 7-10, 11-13, 14-18, 19-21)
- Creating social plans as a group
- Sharing plans with families/caregivers
- Implementing social plans in community places (e.g., stores, restaurants)
- Note: The 12-week program is vendored through FDLRC or covered through private pay at this time.

SUPPORTING CHILDREN, TEENS, AND YOUNG ADULTS DIAGNOSED WITH:

- Autism
- ADHD
- Social Anxiety and other related conditions

Additional services include:

- Individual/Family Consultations
- Parent/Caregiver/Family Trainings
- Social Language Evaluations
- Speech-Language Evaluations
- Monthly Social Community Groups are also available for groups of 2-3 clients (age groups: 3-5, 6-10, 11-13, 14-18, 19-21, 26-30, 31-40). These groups are offered through private pay at this time.
